

THE FUTURE OF ENERGY GEOSCIENCE - TOMORROW'S WORLD TODAY

THE BREWERY, LONDON

19-20 NOVEMBER 2024

petex.ges-gb.org.uk

#PETEX2024

BECOME A PETEX VOLUNTEER

GESGB are offering volunteer opportunities at [PETEX](https://petex.ges-gb.org.uk) for those wanting to work while they network and learn about the energy industry.

If you are a student and available in London on 19 and 20 November 2024 and would like to help us stage a key event on subsurface-focused E&P, please complete the [application form](#) on the [PETEX website](#) by **13 October 2024**.

Applications are open for **PETEX Events Assistant** positions (job description below). You'll get the full PETEX experience with chances to attend some of our talks with top industry professionals, explore the exhibition and the opportunity to attend our networking social event on the first evening of the conference.

Job Description

We are looking for student volunteers to assist with delegate engagement, ensuring a smooth and pleasant experience for everyone attending. Duties will include stewarding, managing microphones during Q&A sessions, assisting with registration where needed, and other ad hoc duties as required.

Benefits of volunteering with us for this event include:

- Experience the conference/exhibition and learn about good event management.
- The opportunity to attend some of the talks and explore the exhibition.
- Complimentary food and drinks onsite.
- **Reasonable** travel and subsistence expenses will be reimbursed.
- A letter of participation signed by GESGB's Executive Director

What will be required from student volunteers:

- Excellent communications skills with the public
- Willing to volunteer for the entire event (07:30-17:30 each day | 19-20 November 2024)
- Willingness to travel each day to The Brewery, London (52 Chiswell St, London, EC1Y 4SD)
- Commitment to volunteer for the entire event (2 days)
- Commitment to [GESGB Equality, Diversity & Inclusion \(EDI\)](#)

Further Information

[PETEX](#) is the largest subsurface-focused E&P conference and exhibition in the UK, now with a broader scope to include the energy transition and associated industries. This reflects our continuing need for hydrocarbon-derived energy and products, and the long heritage of the event, whilst reflecting the changing energy mix and advances in other energy sources.

View the full [conference programme](#) for more information.

What you'll be getting

As a thank you for supporting us, you'll be given access to all aspects of the **conference & exhibition** and will be able to attend full sessions when helping with Q&A sessions and explore the technical e-posters in the catering area.

You will be provided with a branded t-shirt to wear whilst you're onsite at the conference. You will be given 2 x t-shirts - one to wear each day.

We will reimburse you at the end of the conference but, please note that we cannot guarantee what % of your costs we will be able to cover. This will be assessed on a case-by-case basis.

You will receive a letter of participation electronically after the event, signed by the GESGB Executive Director.

Travel

Travelling to The Brewery by public transport is quick and easy. The venue is located close to these stations:

- **Barbican** (5 minute walk)
- **Moorgate** (5 minute walk)
- **Farringdon** (10 minute walk)
- **Bank** (15 minute walk)
- **Liverpool Street** (15 minute walk)

Visit the [Accommodation and Travel](#) webpage on the PETEX website to find out more.
